

## **Petro-Reef Hires Vice President, Engineering**

**Calgary, Alberta, April 21, 2008** – Petro-Reef Resources Ltd. (TSX-V: PER), is pleased to announce that Larry Ness has joined its management team as Vice President Engineering as of April 21, 2008.

Mr. Ness has over 30 years of oil and gas experience with several exploration and development companies including Petro-Canada, BP Resources Canada, PanCanadian, Prime West and most recently with Provident Energy Trust. Mr. Ness has extensive experience in exploitation, production optimization, facilities construction and design, and the drilling and completion of wells. Larry Ness holds a B. Sc in Mechanical Engineering from the University of Calgary and holds a professional engineering designation.

"Petro-Reef is extremely excited to have someone with the experience and knowledge that Larry brings to our organization. Petro-Reef's strong production growth in the past several months increased the necessity of having an experienced individual like Larry join our team," said Joe Werner, Petro-Reef's President and CEO.
